

A beacon of change.

HighLINER 3 is a versatile product for canopies, soffits, awnings, and wall washes, that offers natural, white, outdoor and indoor linear illumination for both new construction and retrofit projects, while saving energy, and reducing maintenance costs, for a brilliant bottom line.

- Increase awareness and recognizability with a new standard in under-canopy lighting that sets your station apart with a bright, modern aesthetic
- Linear illumination delivers an increased sense of safety and visual comfort for visitors without intruding on neighboring properties
- Easy installation for both new construction and retrofit

HighLINER 3

Outdoor and indoor linear lighting

Multiple applications.
One brilliant solution.
