

SloanLED Performance+ Turnkey Service Warranty

Lighting Systems – U.S. & Canada

PAGE 1 OF 7

SloanLED's Performance+ Turnkey Service Warranty applies to all SloanLED Lighting Systems products installed within continental United States and Canada and covers the repair or replacement of these products at the installation location by SloanLED for two years from the date of shipment.

The initial request for service can be made by emailing our service case team at Service@SloanLED.com, by completing the online Service Request Form, or by reaching out to our inside support team at 805-351-4922.

To enable our service team to promptly address your service needs, please complete the Service Request Form at the link below and include all required information. Attach site photos of the existing conditions and include any additional details that will aid the service team in their preparation. Once the existing conditions are confirmed, our service team will schedule the repair work. The standard service lead time is 7-10 working days. Service lead times can be impacted by material availability and/or weather and site conditions. Our service team will coordinate the service date with the point of contact provided on the Service Request Form.

The Performance+ Turnkey Service Warranty is limited to the lighting and control products purchased from SloanLED and does not cover issues with electrical feeds, power surges, alterations, improper installation or operation, and physical damage. Should the contractor find the issue not to be associated with a SloanLED Lighting Systems product, we will attempt to reach the point of contact provided on the Service Request Form for approval to proceed with the repairs at a quoted cost while the contractor is still on site.

► **The claim form and process can be found at <https://sloanled.com/PerformancePlusTurnkeyService>**

► **Information on SloanLED Global Limited Warranty can be viewed at <https://sloanled.com/downloads/SloanLEDGlobalLimitedWarranty.pdf>**

► **Information on SloanLED Global Limited Labor Assistance for Sign products can be viewed at <https://sloanled.com/downloads/SloanLEDGlobalLimitedLaborAssistance.pdf>**
